Support our Community

MISSION, VISION, AND PROGRAMS

Voices of Tomorrow (VOT) is a community-based organization serving childcare providers and families in King County's East African immigrant and refugee community. VOT's mission is to preserve immigrant and refugee children's identity through culturally and linguistically responsive child-focused programs. Our vision is to be a strong, sustainable community that's successful in defining our own liberation and narratives.

VOT aims to eliminate inequities in the early learning system that impact the growth, development, and academic performance of our community's children through the following initiatives:

- Early Learning
- Family Child Care Provider Capacity Building and Support
- Adult Education
- Health & Mental Health Programs
- Policy & Advocacy
